**Family Fall Festival**  
**September 24, 2022, 11am to 6pm**  
**Fredericksburg Fairgrounds**

You are invited to share information about your organization or business at the disAbility Resource Center's "Let the Gourd Times Roll Family Fall Festival" on September 24, 2022, at the Fredericksburg Fairgrounds. The purpose of the festival is to invite the community to day of fun, create awareness of our organization and yours, and to raise money for the services the dRC provides.

The dRC's mission is to help people with disabilities attain their greatest level of independence by providing them, those who support them, and the community with information, education, and resources. dRC services include independent living skills training, peer mentoring, advocacy, nursing home to home transition, and school to adult life transition. We also provide free health and wellness classes, community trainings, and free durable and gently used medical equipment to those in need.

Through the year, individuals write to us and let us know how our services have helped them. Here are some of their comments:

- "It is nice to know you can come to an organization that solely operates on grants and donations to help those in need,"
- "A+ customer service!"
- "Such a wonderful organization and gives back to the community as well," and
- "This place is a Godsend. They help people who are in need."

To "Let the Gourd Times Roll" and join us for a day of fun, please fill out the accompanying vendor form.

Sincerely,

Debra Fults

Executive Director
